### **Dr. Josie Coverdale Stock Horse Scholarship**

A former competitor and member of Stock Horse of Texas, Dr. Josie Coverdale, passed away in February 2016 from a car accident. Dr. Coverdale was an assistant professor in equine sciences at Texas A&M and an active part of the Equine Initiative. She was known for her passion for her career, her students, her selflessness and her character. In her memory, a Stock Horse of Texas scholarship has been established by her friends. The scholarship will be presented to a TAMU student who shows at the Stock Horse World Show and embodies the same hard work, excellence and pleasant demeanor that Josie shared with everyone.
