## SHTX – TQHA TEXAS TRIPLE THREAT INCENTIVE

Stock Horse of Texas is excited to partner with Texas Quarter Horse Association to pay out \$10,000 among the top riders across all divisions at the Western Horseman Stock Horse World Show. The Texas Triple Threat Incentive is designed to reward Texas horse owners and Texas riders who show Texas-bred horses.

Here's how it works:

- Exhibitor must be a Texas resident and member of SHTX and TQHA (memberships can be purchased online)
- Owner must be a Texas resident
- Horse must have been bred in Texas (we will need verification from the registration papers)

Eligible horses must fill out the Texas Triple Threat Information Form (on the World Show website) as well as submit a copy of the horse's registration papers verifying the breeder is from Texas. The SHTX office will compile scores of all eligible horses to determine the top riders across all SHTX divisions.
