The rule book cover photo honors a SHTX past president, long-time board member and founder of the collegiate stock horse program. Dr. Kris Wilson was a very dedicated supporter of Stock Horse of Texas, working tirelessly for the association up until his death in 2016. Warm-Up Arena Etiquette
- Always go with the flow of traffic. If the arena is large enough for two sets of circles, follow the diagram. If the arena only has space to lope one circle, ask others when you want to change directions. Most people will oblige.
- **NEVER** stop your horse in traffic, and **ALWAYS** look behind you before you stop or slow down.
- Always look where you are going, and watch out for other riders.
- Don’t tie horses in the warm up arena.
- No headphones or ear buds are allowed in arenas.
Brief History of Stock Horse of Texas
(courtesy of a 1999 article by Ross Hecox)

In 1995, Texas horsemen Jack Brainard and Roger Blackmon saw a need in the horse industry for an organization that could teach riders horsemanship skills, promote all-around working horses, put on shows and clinics that don’t make horse owners pay through the nose to participate and provide its events in a truly enjoyable setting.

Brainard and Blackmon wanted their concept to fit both working ranchers and backyard horsemen. Dr. Doug Householder, Dr. Bill Jackson, Dr. Dennis Sigler and B.F. Yeates soon joined in promoting the new organization in 1996. In 1997, Stock Horse of Texas (SHTX) passed out its first membership cards. The following year, its first group of officers were elected and competitions were offered for the first time.

The Stock Horse of Texas Association was created to promote and support the concept of the versatile stock horse. The strength in this concept lies in the variety of skills developed by both horse and rider in four different disciplines: Reining, Pleasure, Trail, and Working Cow Horse. The true all-around stock horse can handle a variety of situations with ease and athleticism, using natural movement and an attitude that reflects the ranch-type influence of an everyday stock horse.

The SHTX program is designed for riders of all experiences to learn and compete in an environment that is friendly, affordable and designed to fit all levels of riding. SHTX clinics and shows are held year-round across the state and all breeds of horses are welcome. Participants may enter just the clinic or only one or two classes if they wish. The goal is to improve horses and riders through the all-around stock horse concept. Promoting the versatile stock horse since 1996, the SHTX mission continues:

At no time will the Advisory Committee have voting rights on the Board of Directors. A member of the Association cannot sit on the Board of Directors and the Advisory Committee at the same time.

Section 5. The annual meeting of the Board of Directors shall be held immediately following the annual members’ meeting. The Association may not make any loan to a director or officer of the Association. A director, officer, or committee member of the Association may lend money to and otherwise transact business with the Association if (i) the transaction is in the best interest of the Association, (ii) the transaction is fully described in a legally binding instrument and (iii) all relevant facts regarding the transaction have been disclosed to the Board of Directors and the Board of Directors has approved the transaction by majority vote, not including the vote of any person having a personal interest in the transaction. Such a person transacting business with the Association has the same rights and obligations relating to those matters as other persons transacting business with the Association.

ARTICLE XI - INDEMNIFICATION

No director or officer of the Association shall be liable to the Association or its members for monetary damages for an act or omission in such director’s capacity as a director of the Association; except that this Article shall not eliminate or limit the liability of a director or officer of the Association for: a breach of a duty of loyalty to the Association or its members; an act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law; a transaction from which a director or officer received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the office; or an act or omission for which the liability of a director is expressly provided for by statute.

To the extent permitted by law, the Association will indemnify a director, officer, committee member, employee, or agent of the Association who was, is, or may be named defendant or respondent in any proceeding as a result of his or her actions or omissions within the scope of his or her official capacity in the Association. For the purposes of this article, an agent includes one who is or was serving at the Association’s request as a director, officer, partner, employee, contractor or trustee.

The Association will indemnify a person only if he or she acted in good faith and reasonably believed that his or her conduct was in the Association’s best interests. In case of a criminal proceeding, the person may be indemnified only if he or she had no reasonable cause to believe that the conduct was unlawful. The Association will not indemnify a person who is found liable to the Association or is found liable to another on the basis of improperly receiving a personal benefit from the Association. A person is conclusively considered to have been found liable in relation to any claim, issue, or matter if the person has been adjudged liable by a court of competent jurisdiction and all appeals have been exhausted. Termination of a proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent does not necessarily preclude indemnification by the Association.

The indemnity permitted under these Bylaws includes indemnity against judgments, penalties, (including excise and similar taxes), fines, settlements, and reasonable expenses (including attorney’s fees) actually incurred in connection with the proceeding. If the proceeding was brought by or on behalf of the Association, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

Before the Association may pay any indemnification expenses (including attorney’s fees), the Association must specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable. The Association may make these determinations and decisions by any one of the following procedures:

(i) Majority vote of a quorum consisting of directors who, at the time of the vote, are not named defendants or respondents in the proceeding.

(ii) If such a quorum cannot be obtained, by a majority vote of a committee of the Board, designated to act in the matter by a majority vote of all directors, consisting solely of two or more directors who at the time of the vote are not named defendants or respondents in the proceeding.
The Board of Directors is authorized to obtain such insurance coverage as it determines are necessary to accomplish the foregoing.

Any repeal or amendment of this Article by the members of the Association shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the Association existing at the time of such repeal or amendment. Anything herein to the contrary notwithstanding, if the Code is amended after approval of an action of this Association to further eliminate or limit the personal liability of directors, then the liability of a director of the Association shall be eliminated or limited to the fullest extent permitted by the Code, as so amended from time.

The Association and co-sponsoring organizations, if any, and their officers, directors, employees, members and agents shall not be responsible for any personal injury, for injury to animals, or for loss or damage to property, occurring at any Association activity. Presentation of signed entry or consignment forms shall be deemed acceptance of the conditions of this rule. In the event an entry or consignment form is not signed or presented, appearance on the grounds or at the sale ring of any Association activity as an exhibitor, handler, owner, trainer, participant, member or consignor shall be deemed to be acceptance of the conditions of this rule.

**GR-050.1** Without assuming the affirmative duty to monitor possible physical or mental handicaps of exhibitors, if condition of exhibitors’ physical or mental disability comes to the attention of the Association, the individual may be denied participation privileges in Association-approved events until such time as he or she provides the Association with sufficient information to conclusively establish physical or mental capability to participate, without posing a significant risk to the health or safety of the individual and/or the other exhibitors of the class in which he or she desires to participate. At Association’s sole discretion, the individual may be authorized to use special equipment to enhance physical ability to safely exhibit in Association-approved or sponsored shows/events.

**GR-060 DISCIPLINARY PROCEDURES**

**GR-060.1** The Association reserves the right to independently direct disciplinary action or sanction against individuals coming under the jurisdiction of the Association by participating in Association-sponsored events or by placing membership in the Association. The Association Executive Committee is the forum within the Association that initially or ultimately hears or reviews evidence of alleged violations of rules and regulations by members and/or participants in Association-approved events. A member may be disciplined, suspended, fined, and/or expelled from the Association, and any non-member participant may be denied any or all Association privileges.

**GR-065 VIOLATIONS**

**GR-065.1** Financial Violations – Any member may be suspended and denied privileges of the Association or any non-member may be denied the privilege of the Association by the Executive Committee of the Association, for the failure to pay, when due, any obligation owing the Association. Upon receipt of a fraudulent payment, a member or non-member will be notified in writing and given a reasonable amount of time to make the payment good. Repeat offenders will be put on a cash only basis. Failure to pay the amount owed to the Association or its sponsoring groups will result in suspension of membership and all privileges.

**GR-065.2** Unsportsmanlike Conduct – Conduct by Association members, non-members, exhibitors, trainers, owners, owner’s representatives, spectators, and all other persons present on the Association event grounds shall be orderly, responsible, sportsmanlike, and humane in the treatment of horses. Any of these violations will be subject to disciplinary procedures.

**GR-065.3** Disciplinary Actions of Other Associations - SHTX Executive Committee may honor the disciplinary actions of other major equine organizations including but not limited to unsportsmanlike conduct, cruel or inhumane treatment and medication violations of horses from
other recognized equine related associations, states, provinces, or countries. However, any action taken by that organization will not limit any authority or jurisdiction of Stock Horse of Texas.

**GR-200 APPROVAL FOR STOCK HORSE OF TEXAS ASSOCIATION EVENTS**

A request for information regarding an Association Clinic/Show or special event approval shall be made through the Association Executive Director. Sanctioned events require compliance with all Association fees, guidelines and documentation. Requirements for hosting an Association Event are available from the Association office. Approvals for Association Events shall be made in the calendar year preceding the event. Prior approval for all judges and clinicians to be used at any approved Association event must be granted by the Executive Committee through the Executive Director.

**GR-205 SAFETY AT ASSOCIATION EVENTS**

Exhibitors are encouraged to be aware of their surroundings, especially in the warm up areas. Riders should familiarize themselves with proper warm up etiquette on pg 64 of this handbook.

**GR-205.1** Any competitor or clinic participant riding a horse that is out of control will be asked to leave the premises at the discretion of Show Management, the designated Association Show Representative, or Judge. This applies to all horses, especially to stallions.

**GR-205.2** Judges will have the authority to blow a whistle at any time to stop or excuse any exhibitor who is not in control of the horse. This is especially critical to the working cow class. The goal of the working cow class is for the horse/rider to control the cow. To accomplish this goal, the exhibitor MUST be in control of the horse. Judges also have the authority to blow the whistle at any time to stop or excuse any exhibitor if there is concern about the safety or welfare of the cow, horse, or rider. Inhumane treatment of horses or cattle will not be tolerated.

**GR-205.3** Dogs are not allowed closer than ten feet to any arena fence, must be on a leash, and not be left unattended in the stands.

**GR-205.4** In the case of a fallen horse (defined as the horse on the ground with all four feet pointed the same direction) or rider (defined as no longer astride the horse) the run will end and judges will score the run for the work performed to that point, however the run will result in disqualification. Horse and rider may be checked for injuries and asked to leave the arena as soon as reasonably and safely possible.

**GR-205.5** In classes that involve the use of cattle, the Association strives to safeguard the welfare of the cattle, as well as the welfare of both the horses and riders competing in the class. Association Events are encouraged to provide proper equipment and medication should accidental injury occur.

**GR-220 GENERAL RULES FOR ASSOCIATION EVENTS**

All riders and owners of horses riding and/or showing in Association events must be members in good standing. Class or clinic entry forms must contain the contestant’s and owner's correct SHTX member number. Horses must be a minimum of 3 years old to compete in SHTX shows.

**GR-225 GENERAL RULES FOR ASSOCIATION COMPETITIONS**

**GR-225.1 Open Division Eligibility:** The Open Division is open to any professional or nonprofessional member in good standing with any horse regardless of past winnings. In addition to the normal entry fee, this division may collect and offer jackpot fees, which will be paid back to winners according to the payout schedule below. These jackpot fees may range from a minimum of $10 to a maximum of $20 per class except for special events or championships.

a) Class paybacks: Half of the jackpot will be for the class entered. Open class entries are competing for class points, plus a payback (½ of the jackpot monies collected for that class) according to the following schedule.

b) All-Around paybacks: Exhibitors in all four classes will be eligible for the All-around paybacks – (½ of all Open entries go to jackpot money). The All-Around paybacks will be figured on the total number of All Around entries and will be paid according to GR225.1c.

**GR225.1c Payout Schedule is as follows:**
d) **Open Level 1 Division Eligibility:** The Open Level 1 division will be offered in 2018 as a subdivision of the Open for individuals with moderate to no showing experience who have taken money for starting colts; been paid to ride the ranch horses not owned by them; given basic riding lessons or local clinics for pay; or by other circumstances that make them ineligible for Amateur or Non Pro status, but are not experienced professional trainers in western performance disciplines. Any age horse may be ridden.

- **Earnings Restrictions for Open Level 1:** Riders that have combined earnings of $5,000 in any of the following or similar organizations: NCHA, NRCHA, NRHA, RHAA, AQHA, APHA, SHTX, ASHA, etc. in any western performance discipline (western pleasure, working cow horse, reining, cutting, trail, etc.), are not eligible for this division. If a member loses Level 1 eligibility through competition, he or she may finish that year as an Open Level 1 rider. Thereafter, the member is eligible only for Junior Horse or Open Divisions.

- **Class Format:** The Open Level 1 division will be run concurrent with the Open division, but placed separately from Open entries. Entries in the Level 1 division will have a jackpot separate from the Open. However, if a Level 1 entry desires to be eligible for both the Level 1 and Open, he/she may pay both jackpot fees and be eligible for both payouts and placement in both divisions.

- **Provisional Class Status:** The Open Level 1 division will be offered on a provisional basis as a subdivision of the Open to provide a place for these competitors to compete against their peers. As such, there will be no expectation of added money to the jackpot, awards at the shows or year end awards in the Level 1 Open. However, by entering both Level 1 and Open, competitors would be eligible for Open awards.

GR-230 YEAR-END AWARDS AND MERIT AWARDS IN SHTX-APPROVED COMPETITIONS

GR-230 Year End Awards
Year-End awards shall be given to the All-Around High Point and Reserve High Point (one horse/one rider) in the Non Pro, Limited Non Pro, Intermediate, Novice, Youth, and Junior Horse divisions. Open division awards will be calculated on the horse only (any rider), in accordance with industry standards of Open competition. Year-End High Point Individual Class winners shall also be recognized (one-horse/one-rider for all divisions, except the Open, which will be calculated on the horse). All SHTX awards are considered All Around awards unless otherwise noted.

GR-230.1 Year-End Awards will be based on a total of the approved shows at which a horse/rider combination competes. All but two shows will count for year-end All-Around and Class points, regardless of how many shows are held. For example: If there are 13 shows, points for the top 11 shows will count toward year-end standings. If there are 10, the top 8 shows will count, and so on.
GR-230.2 Top points earned in the All-Around standings and the individual classes are figured separately and may be taken from different shows, thereby giving each horse/rider combination every advantage for highest year-end points in each class or the All-Around. To be eligible for All Around Year-End awards, a horse/rider combination must compete as an All Around entry in at least 50% or more of the total shows in a specific division held within a given year. To be eligible for Class Year-End awards, a horse/rider combination must compete in that class in at least 50% or more of the total shows in a specific division held within a given year. In the Open division, the horse must meet the requirements above. Example: If there are 11 total shows, a horse/rider combination must compete at 6 of the shows in that specific division to be eligible for year-end awards. Year-End Awards are based on SHTX entries only. Entry in other shows held in conjunction with SHTX shows (including Futurity/Derby) do not count toward any SHTX award(s).

GR-231 Stock Horse of Texas Merit Award Program
A horse/rider combination is automatically awarded SHTX Merit Points by competing in either the Open or Non Pro Divisions of approved Stock Horse of Texas competitions.

GR-231.1 Consistent with other SHTX policies, the Merit award is a joint award for a one-horse/one-rider combination earned in either the Non Pro or Open Division in an approved SHTX Show. Points may be awarded in only one division at any one show.

GR-231.2 SHTX Merit Points shall be awarded to a one-horse/one-rider combination showing in all four classes and based on the number of entries in the All-Around of the division up to a maximum of ten points. (Example: Horses may receive a maximum of ten SHTX Merit points for being the high-point horse, nine points for reserve, and eight points for third, down to one Merit point for placing tenth high overall. If only eight horses are entered in the All-Around, the high point horse will receive eight points, down to one Merit point for placing eighth high overall.)

GR-231.3 A horse may receive points with more than one rider, but the points cannot be added together for more than one rider or transferred to another rider. Horses that change riders must start over in accumulating Merit points for the Superior or Supreme Awards. Ownership may change, but the rider must remain constant.

GR-232 Superior Stock Horse Versatility Award - 100 SHTX Merit Points.
This award may be awarded to a horse/rider combination that has earned at least 100 SHTX Merit Points at approved SHTX shows in the All-Around rankings of either the Open or Non Pro Division. Points may be combined from the two divisions as long as they were acquired at different shows. This designation will be noted in the records of the association and certificates presented to both the rider and owner, if different.

GR-233 Supreme Stock Horse Versatility Award - 200 SHTX Merit Points.
This award may be awarded to a horse/rider combination that has earned at least 200 SHTX Merit Points at approved SHTX shows in the All-Around rankings of either the Open or Non Pro Division. Points may be combined from the two divisions as long as they were acquired at different shows. This designation will be noted in the records of the association and certificates will be presented to both the rider and owner, if different.

GR-234 Novice Achievement Award.
The Novice Achievement Award Program is designed to reward contestants that accrue 1600 points on a given horse (i.e. this is based on a horse and rider combo) in the Novice division. The award is retroactive through 2009 and has a five-year time limit. Contestants may compete in other divisions without losing eligibility, provided that: If a contestant wins an all-around champion, reserve all-around champion, or year-end class champion title prior to reaching the 1600 points (regardless of the horse), he or she is no longer eligible for the award. Qualified contestants will be notified when they reach 1600 points, and they will be given the choice to accept the award buckle at that time or have it presented at the SHTX Year-End Awards Banquet.

GR-235 Constant Competitor Award
The Constant Competitor Award Program is designed to recognize competitors in all divisions that compete in the all around at least eight shows in a SHTX season (January-December) without making the year-end Top Ten. This award is based on the rider (not horse/rider combination). Participation in the SHTX Futurity/Derby or other special event does not count toward the 8 show minimum. Awards will be presented during the SHTX Year-End Awards Banquet.
GR-236 Collegiate Year-End Award
The Collegiate Year-End Award will be presented to the two highest-placing collegiate riders in the Open/Non Pro, Limited Non Pro/Intermediate and Novice collegiate divisions. Year-End calculations will be based on points earned in the collegiate divisions only. Winners will be presented their awards during the SHTX Year-End Awards Banquet.

GR-236.1 To be eligible for All Around Year-End awards in the collegiate division, a horse/rider combination must compete as an All Around collegiate entry in at least 75% or more of the collegiate shows.

GR-300 STOCK HORSE OF TEXAS COLLEGIATE PROGRAM
The SHTX Collegiate Program is under the direction of the Association’s Collegiate Standing Committee whose chairman shall be a member of the Board of Directors.

College students must be members of the Association to participate in Association-sanctioned events.

College students will be eligible to serve on the Collegiate Programs Committee as nominated by the president.

College students are eligible to participate in any Association event as well as specific events planned solely for collegiate Teams.

In addition to regular approved Association clinics and competitions, the Collegiate Programs Committee must apply to the Association for approval for events designed specifically for and limited to collegiate teams. Applications to host and/or sponsor special collegiate events must be received in the Association office at least six (6) months prior to the event.

Results of all Association collegiate events must be received in the Association’s office within two weeks after the event. Results will be made available on the Association’s website, and year-end totals will be tabulated, distributed and posted on the website.

Announcements and results of the Association’s collegiate events will be posted on the Association’s website as well as included in other Association publicity such as newsletters and press releases.

Special awards and recognition may be presented at the Association’s Year-End Awards Banquet.

College students will have the opportunity to serve as interns and participate in special educational projects that will benefit both the Association and the student.

GR-301 GOALS AND GUIDELINES FOR SHTX COLLEGIATE ACTIVITIES
GR-041.1 Collegiate Program Goals:
   a) To promote education of horsemen in the safety, care and training of the versatile stock horse
   b) To enhance the education of college students interested in the versatile stock horse
   c) To use the horse as a means to teach students how to represent themselves with responsibility, character and teamwork

GR-301.2. In order to achieve these goals, Colleges and Universities in the United States will be encouraged to gain approval to offer stock horse horsemanship classes, provide students instruction on riding and training a versatile stock horse, and be encouraged to participate in SHTX approved events and competitions. Colleges and Universities will be encouraged to select and recognize official college or university stock horse teams to represent them in SHTX Collegiate Competitions. Colleges and Universities will also be allowed to certify individual collegiate students to enter as individuals. In order to compete in SHTX Collegiate Competitions, each student must be a current SHTX member.

GR-301.3. In order to achieve these goals, SHTX will provide leadership and coordination and publicize the SHTX Collegiate program, approve clinics and competitions and keep SHTX Collegiate Show Results in the Official SHTX Records and on the SHTX website.

GR-301.4 Collegiate teams will either be Division I or Division II. Division I will compete in three divisions of a SHTX Collegiate Show: Open/Non Pro, Limited Non Pro/Intermediate and Novice. Division II will compete in Limited Non Pro/Intermediate and Novice. If a school has a Division I team, they are not eligible to have a Division II team.

GR-301.5 Individual collegiate members may also compete in a SHTX Collegiate Show in these divisions.
GR-301.6 A college or university may enter more than one team and an unlimited number of individuals in SHTX Collegiate competitions.

GR-301.7 SHTX Collegiate Stock Horse Teams and Collegiate Individuals must meet the following eligibility requirements:

a. Undergraduates must be enrolled in a minimum of 12 hours of classes and graduate students in a minimum of 9 hours. Graduating students may enroll in fewer hours during the semester of graduation.

b. Students must be in good academic standing with their school, defined as at least a 2.0 cumulative GPA.

c. Students will be limited to 5 years or 8 semesters (whichever comes first) of collegiate eligibility to compete, including both graduate and undergraduate years.

d. Any questions or disputes about eligibility should be directed to the Collegiate Committee of the SHTX Board of Directors.

GR-301.8 SHTX collegiate members must designate eligibility for divisions. Any college or university student who can furnish proof of meeting the eligibility requirements may compete in a SHTX Collegiate show whether their college has a team or not. Collegiate students must present their current SHTX membership card. An applicant for membership should accurately mark the SHTX divisions – Open, Non Pro, Limited Non Pro, Intermediate and Novice for which they are eligible. Coaches must abide by these eligibility requirements when placing collegiate members on a team.

GR-301.9 Proof of eligibility requirements should be presented as an unofficial transcript or other document from the registrar’s office confirming full time student status, including minimum 2.0 GPA at the first show of each semester that the student participates.

GR-301.10 Collegiate Competitions:

a) SHTX may approve official SHTX Collegiate Shows that will be open to collegiate members only and that will offer a SHTX Collegiate Stock Horse Team Competition

b) SHTX may approve special SHTX College Team Challenges as may be decided by participating coaches and the SHTX Collegiate Committee with special awards. Special conditions may alter the number of team members and the specific division(s) offered.

c) SHTX may also approve an official SHTX Collegiate Show within a regular SHTX competition. These will count as a separate show and must be approved, announced and publicized as such. At these collegiate shows within a regular show, the collegiate divisions of Open/Non Pro, LTD Non Pro/Intermediate and Novice must be offered. Collegiate points will be awarded based on the number of collegiate competitors in each division. The team awards will be based on the scoring system below.

d) Collegiate riders will enter classes in their respective collegiate divisions. The collegiate classes will be held with the regular SHTX classes. However, the scores and placing will be separate for the collegiate division. Collegiate riders wishing to compete in non-collegiate divisions of SHTX may do so by entering those divisions and, if possible, the runs will be concurrent.

GR-302 DESCRIPTION OF SHTX COLLEGIATE STOCK HORSE TEAMS

GR-302.1: Division I: A SHTX Collegiate Stock Horse Team shall consist of six members and shall consist of two designated representatives in each of the divisions of Open/Non Pro, Limited Non Pro/Intermediate and Novice.

• Two (2) Open/Non Pro
• Two (2) Limited Non Pro/Intermediate
• Two (2) Novice

A school may enter a team with less than six members as its representative, but not less than four members or they must compete as individuals. Each team member must ride a different horse.

GR-302.2: Division II: A SHTX Collegiate Stock Horse Team shall consist of four members from the divisions of Limited Non Pro/Intermediate and Novice. It is not required that a team have two members in each division.

A school may enter a team with less than four members as its representative, but not less than three members or they must compete as individuals. Each team member must ride a different horse.

GR-303 CALCULATION OF POINTS FOR COLLEGIATE TEAM RIDERS AND TEAMS

Points in each class in each division are calculated on the total number of collegiate teams represented, not on the number of collegiate individual entries. Example: With six teams represented, there may be twelve point
riders in each class in each division. The highest points a team rider can earn in each class is 12. The points would be 1-12. When teams have less than six and four or more members, there will still be 12 points to be earned in each class in each division. If one team has only one Non Pro point rider leaving only 11 point riders in the class, the highest placing rider in the division will still receive 12 points. Incomplete teams with at least four members shall be eligible for team awards if their team totals exceed those of teams having complete teams. In the event of a tie between teams, the tie will be broken on the basis of most first place class wins and then on points won in the working cow horse class, reining class, trail class and then pleasure class, respectively.

GR-304 SHTX COLLEGIATE COMPETITION AWARDS

GR-304.1. SHTX Collegiate Team Awards

a) Both a High Point and Reserve High Point Team Award will be given if at least three teams from different colleges or universities are entered.

b) For Collegiate Team awards, each team will be allowed to utilize points from two riders per SHTX division (Open/Non Pro, Limited Non Pro and Novice) and these point riders will be determined at the time of entry by their coach(s). Only the points that these two riders earned against other point riders in their division will be counted towards naming a champion and reserve champion collegiate stock horse team of the competition.

GR304.2. SHTX Collegiate Individual All-Around Awards. Collegiate Individual All-Around and Class Awards may be awarded in SHTX approved Collegiate-Only Shows or Collegiate Team Challenges at the option of Show Management.

a) To be eligible for SHTX Collegiate Individual All-Around Awards, a collegiate rider must compete in all four classes within the collegiate division. Awards are based on points from all four classes within the division.

STOCK HORSE EVENT RULES

EV-190 SCORING SYSTEM

EV-190.1 The Stock Horse of Texas (SHTX) Scoring System is designed to be positive, straightforward, and always encourage growth and improvement in both horse and rider. The scoring system is designed to give credit for the work done.

EV-190.2 Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of each maneuver (e.g., -1½ Extremely Poor, -1 Very Poor, -½ Poor, 0 Correct, +½ Good, +1 Very Good, and +1½ Excellent). Pluses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers. Penalties may be accrued for incorrect maneuver execution. For more detail on credits and penalties, see the details in “CLASSES.”

EV-190.3 The entire Class will be scored and placed (i.e. 45 horse/rider teams will result in 45 placings.) In the case of a horse/rider team being Off-Pattern (e.g., Off-Pattern (OP): Breaking pattern; Repeated blatant disobedience), the horse/rider team cannot place above other horse/rider teams who have completed the pattern correctly.

EV-190.4 No horse/rider team shall be disqualified except for illegal equipment, obvious lameness, inhumane treatment, rider misconduct or disrespect; leaving the working area before the pattern is complete or fall of horse/rider (run ends; the run will be scored up to that point but will not be placed). Disqualified horses will count as entries in the Class but will not receive points. (For example, in a Class with twenty-one horses where one horse/rider team is disqualified, the first place horse/rider team gets twenty-one points, the twentieth place horse/rider team gets two points, and the disqualified horse/rider team gets 0 points. The last point is not given because the disqualified horse/rider team gets no points). This system will be used for any size Class and may include more than one disqualification.

EV-190.5 In the case of a fall by a horse or rider, the run shall end when the rider or horse falls to the ground. A horse is considered fallen when his shoulder or ribs contact the ground with all four feet pointing the same direction. A rider is considered fallen when the rider is no longer astride the horse. A horse/rider team will be scored for what was accomplished prior to the fall, but the horse/rider team will be disqualified and will not be placed.

EV-190.6 In the case of equipment failure that delays
competition or becomes unsafe, the run is stopped and the horse/rider team is scored for what they have accomplished prior to that point, but the horse/rider team will be disqualified and will not be placed.

**EV-190.7** Specific maneuvers will be designated by the Judge to be tiebreakers in a Class. The tiebreaker maneuvers will be made prior to the start of the Class and so noted on score sheets for show secretaries to use in breaking ties in the Class. Every horse/rider team in the Class is awarded one point for each horse/rider team they beat, plus one point. (Examples: In a ten horse/rider team Class, the first place horse/rider team gets ten points and the tenth place horse/rider team gets one point. In a five-horse/rider team Class the winner gets five points, and the last place horse/rider team gets one point.).

**EV-190.8** All-around ties for each competition and year-end awards will be decided by the highest placing in the Cow Work Class. If this doesn’t break the tie, other Classes will be used in the following order: Reining, Trail, Pleasure.

**EV-200 JUDGING PROCEDURES**

**EV-200.1** SHTX Score sheets shall be used to judge all classes. Judges will select specific maneuvers prior to the class as tie-breaking maneuvers. These maneuvers will be ranked as first tiebreaker, second, third, fourth, fifth, etc.

**EV-200.2** During the class a scribe shall assist each judge by recording the score after each of the maneuvers on the appropriate class score sheet. Judges shall sign their score sheets, and the score sheets will be turned in to the show secretaries.

**EV-200.3** Show secretaries shall total individual scores and use the judge’s tiebreakers if necessary to place the class. They will check back with the judge if there are any questions.

**EV-200.4** All exhibitors will be ranked according to scores, placed from highest to lowest scores, and given class points according to their placing.

**EV-200.5** Class score sheets shall be posted as soon as possible after each class to allow riders to evaluate their performance.

**EV-200.6** Exhibitors competing in all four classes shall have their class placing points entered into the all-around tabulation. Points from each class shall be added together for the overall score for the four events. Ties for the all-around winner are broken first using the highest score in the working cow horse class, second using the reining class, and then the trail and pleasure classes.

**EV-200.7** When using two judges to determine one set of winners, the classes will first be placed under each judge and class placing points awarded and posted. One judge shall be designated as the tiebreaker judge before judging begins. The composite results (combined results used to determine an overall winner) shall be calculated as follows: All class placing points will be added for each judge to determine an all-around winner. If there is a tie, the tiebreaker judge’s class placings will determine the winner. Ties for the all-around winner will be broken first using the highest score in the working cow horse class, second using the reining class, and then the trail and pleasure classes.

**EV-210 COMPETITION EQUIPMENT AND ATTIRE**

**EV-211 Equipment:** Horses shall be shown in a western stock saddle. Silver equipment will not count over good clean, working equipment. Horses of all ages may be shown in a snaffle, bosal, or curb bit. Absolutely no iron will be permitted under the jaws. Judges may perform a bit inspection and disqualify violators at any time. The judge, steward or show management may prohibit the use of any bit or equipment they consider inhumane or would tend to give a horse/rider an unfair advantage. Use of illegal equipment is prohibited anywhere on the event grounds. Hobbles may be carried and used as appropriate.

**EV-211.1** If the horse is shown in the two-rein or bridle/curb bit, the mouthpiece must be at least 5/16 inch and not more than 3/4 inch in diameter measured 1 inch from the cheek and must be smooth (no chain bits). Nothing may protrude below the mouthpiece such as extensions or prongs including upward prongs. Split reins or roman reins shall be used with bridle/curb bits. Curb straps are required and may be leather or flat chain, must be at least 1/2 inch in width, and must lie flat against the horse’s chin. No wire curbs are permitted, regardless of the amount of padding or tape. Horses shown in the bridle/curb bit must be exhibited one-handed. Using two hands on a bridle/curb bit or using more than one finger between split reins or any finger between roman reins (except in the two-rein where any number of fingers
are allowed between the romal and hackamore reins) will result in an Off Pattern. In all classes, when using a romal, the free hand may be used to adjust the rider’s length of rein.

**EV-211.2** If the horse is shown in a snaffle bit, it shall be “D” or “O” ring type, no larger than 4 inches and no smaller than 2 inches in diameter on inside of the ring. It must have a broken, two-piece mouthpiece, a minimum of 5/16 inch in diameter, measured 1 inch from the inside of the ring, with a gradual decrease to the center of the snaffle. The mouthpiece should be round, oval or egg-shaped and made of smooth, unwrapped metal. No twisted-wire mouthpieces may be used. A leather or fabric woven chinstrap may be used. No iron, chain or other metal may be used. Horses ridden in a snaffle or hackamore must use either split reins or mecate reins.

**EV-211.3** If the horse is shown in a hackamore, the bosal must be made of braided rawhide or braided leather and will be a maximum of 3/4 inch at the cheek. There must be a minimum of two finger widths, approximately 1 1/2 inch, between the bosal and the nose. Absolutely no metal under the jaw or on the noseband in connection with the bosal is allowed.

**EV-211.4** Mechanical hackamores, cavassons, tie downs and running martingales are prohibited. SHTX rules regarding other prohibited equipment apply.

**EV-211.5** Tie downs, cavassons, gag bits, twisted-wire mouth pieces, mechanical hackamores and running martingales are prohibited. A judge may prohibit the use of any equipment deemed to be inhumane.

**EV-211.6** Any horse found to have blood present on the mouth or anywhere else on its body may be disqualified at the discretion of the judges.

**EV-211.7** Any question on equipment that is not disclosed in SHTX Rulebook, refer to AQHA Equipment rule SHW300 and/or NRCHA Equipment rules 5.1 to 5.7

**EV-221 Attire:** Riders shall wear protective headgear or western hats, long-sleeved shirts and western boots. Western boots shall include typical cowboy boots and lace-up ropers. All other footwear is prohibited. The use of spurs and chaps shall be optional. Clothing should be neat and clean.

**EV-220 STOCK HORSE OF TEXAS CLASSES**

Following is a list of the four classes, designed to measure the versatility of a western stock horse, to be offered at each SHTX competition with descriptions and guidelines for judging.

**EV-221 STOCK HORSE PLEASURE CLASS** *(AQHA VRH Ranch Riding)*

The purpose of the stock horse pleasure class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious
lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal stock horse pleasure horse should have a natural head carriage at each gait.

**EV-221.1 Gaits**

- **Ordinary Walk** – The stock horse ordinary walk is straight, square, flat-footed, relaxed. The horse moves freely with no anticipation to move to the next gait.
- **Extended Walk** – The stock horse extended walk is straight, square, and flat-footed, relaxed, and moves out freely with the horse looking ahead. The extended walk shows more length of stride than the ordinary walk.
- **Trot** – The stock horse trot is a square two-beat diagonal trot and is steady, soft, and slow enough for riding long distances. The rider is seated at this gait.
- **Extended Trot** – The stock horse extended trot shows lengthening of stride from the regular trot with the same cadence that will cause an increase in speed. This gait is level, flat, and steady with the appearance that the horse would hold this gait for long distances. The rider may be seated, posting, or standing.
- **Lope** – The stock horse lope is a 3-beat gait that is cadenced, straight and steady and is comfortable to ride over long distances.
- **Extended Lope** – The stock horse extended lope shows lengthening of stride from the regular lope with the same cadence that will cause an increase in speed. The horse holds the steady gait and increased speed while being under control.
- **Stop** – From both the lope and the trot, the horse should be in the correct stopping position (i.e., both hocks engaged and stopping on the hindquarters). All four feet stop moving before the next maneuver is attempted.
- **Reverse** – The horse turns briskly and flat with front feet on the ground and holding an inside rear pivot foot. The reverse may be performed in either direction.

**EV-221.2** Horses shall be shown individually and the Class may be conducted inside or outside of an arena. The pattern may be started either to the right or left direction. Markers shall be set up to designate gait changes. When establishing the course, the following distances between markers are recommended.

**PATTERN I**

- Extended Walk - 75 feet
- Trot - 120 feet
- Extended Trot - 240 feet
- Lope - 150 feet
- Stop and Reverse
- Ordinary Walk - 30 feet
- Lope - 150 feet
- Extended Lope - 200 feet
- Trot - 90 feet
- Stop and Back

**PATTERN II**

- Ordinary Walk - 30 feet
- Lope - 150 feet
- Extended Lope - 200 feet
- Trot - 120 feet
- Stop and Reverse
- Extended Walk - 75 feet
- Trot - 90 feet
- Extended Trot - 240 feet
- Lope - 150 feet
- Stop and Back

**PATTERN III**

- Ordinary Walk - 30 feet
- Lope - 150 feet
- Extended Trot - 240 feet
- Trot - 120 feet
- Stop and Reverse
- Trot - 90 feet
- Lope - 150 feet
- Extended Lope - 200 feet
- Extended Walk - 75 feet
- Stop and Back

**PATTERN IV**

- Trot - 90 feet
- Extended Walk - 75 feet
- Lope - 150 feet
- Extended Trot - 240 feet
These distances will make for a fluid class and facilitate judging. Order of maneuvers may be varied per Judge’s discretion but the Stop should not follow the Extended Lope. Judges are encouraged to walk the course prior to judging.

**EV-221.3 Credits and Penalties**

Part of the evaluation of this Class is on smoothness of transitions. A horse may be collected a bit from the extended trot or walk as the horse moves into the lope. During the transition from the extended lope down to the trot, walk or extended walk an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior the specified gait will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discreetly and the horse responding correctly could be a credit-earning situation. All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. Penalties will be assessed as follows:

- **1 Point Penalties:** Over-bridled (per maneuver); Out of frame; Too slow; Break of gait at walk or trot for two (2) strides or less.

- **3 Point Penalties:** Wrong lead; Draped reins; Break of gait at lope; Break of gait at walk or trot for more than two (2) strides

- **5 Point Penalties:** Spurring in front of cinch; Blatant disobedience; Use of either hand to instill fear/praise;

- **Off-Pattern (OP):** Breaking pattern; Repeated disobedience; Use of two hands (except in snaffle bit or hackamore); More than one finger between split reins or any fingers between roman reins (except two rein); Cannot place above others who complete pattern correctly.

- **Disqualification (DQ):** Lameness; Abuse; Illegal equipment; Disrespect or misconduct; Leaving working area before pattern is complete; Fall of horse/rider (run ends; scores will be given for work done but the horse/rider team will be disqualified and will not be placed), Improper western attire. Disqualified entries are counted as an entry in the class but can not receive points or credits for that class toward the all around.

**EV-222 STOCK HORSE TRAIL CLASS (AQHA VRH Ranch Trail)**

The stock horse trail class should test the horse’s ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness, efficiency and pattern accuracy with which the obstacles are negotiated and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well-broke, responsive and well mannered horse which can correctly navigate and negotiate the course.

**EV-222.1 The Stock Horse Trail Course (the course)** will include no less than six and no more than nine obstacles. It is mandatory that the horse be asked to walk, trot and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Trot must be at least 35 feet and score with approaching obstacle. Lope must be lead-specific, at least 50 feet, and score with approaching obstacle. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.

**EV-222.2** When setting courses, management will be mindful that the idea is not to trap a horse/rider team or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to reduce the risk for accidents. Show committees
have the option of setting up the trail course to best fit the arena conditions. An outdoor course is recommended if appropriate terrain is available. Each single-performance event can be time consuming, especially with large classes, so it is imperative that time restrictions are placed on this Class. The show committee, either through a pilot run or estimation, shall select a course that has a continuous, positive flow that can be negotiated in four minutes or less.

**EV-222.3** Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, non-negotiable, or unnecessarily difficult. Any time a trail obstacle becomes unsafe during a class, it shall be repaired or removed from the course. If it cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws for that class.

**EV-222.4** The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles. Combining of two or more of the obstacles is acceptable.

**EV-222.5** Prohibited obstacles: Tarps, water obstacles with slick bottoms, PVC pipe used as a jump or walk over, tires, rocking or moving bridges, logs or poles elevated in a manner that permits such to roll in a dangerous manner. Only live or stuffed animals which would normally be encountered in an outdoor setting and which are not used in an attempt to “spook” a horse may be used.

**EV-222.6** Mandatory obstacles and/or maneuvers:

1) Ride over obstacles on the ground – usually logs or poles. Walk, trot, or lope may be used, but only one gait is required.
   a) Walk-overs: Walk over no more than five logs or poles no more than 10 inches high. The space between logs or poles should be 26-30 inches. The formation may be straight, curved, zigzagged, or raised.
   b) Trot–overs: Trot over no more than five logs or poles no more than 10 inches high. The space between logs or poles should be 36 to 42 inches. The formation can also be straight, curved, zigzagged, or raised.
   c) Lope-overs: Lope over no more than five logs or poles no more than 10 inches high. The space between logs or poles should be 6 to 7 feet. The formation can also be straight, curved, zigzagged, or raised.

2) Opening, passing through, and closing gate: Use a gate that will not endanger horse or rider and requires minimum side passing.

3) Ride over wooden bridge: Bridge should be sturdy, safe and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.

4) Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30-inch spacing is required. Back through and around at least three markers. Back through L, V, U, straight or similarly shaped course which may be elevated no more than 24 inches.

5) Side pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 12 inches.

6) Rope drag: For Open, Non Pro, Limited Non Pro (Ltd Non Pro), Intermediate and Junior Horse Classes ONLY. A rope drag is not to be used in Novice or Youth Classes. Drag may be a complete figure eight and may begin in either direction. Distances may be adjusted for Junior horses only, if so desired. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

**EV-222.7** Optional obstacles: Members may suggest new obstacles provided the obstacles can be found in everyday ranch work. Optional obstacles from which selections can be made include, but are not limited to:

- A jump obstacle whose center height is not less than 14” high or more than 24” high. Holding the saddle horn is permissible for this obstacle.
- Carry object from one part of the arena to another.
- Remove and replace materials from mailbox.
- Trot through cones spaced a minimum of 6 feet apart.
- Cross natural ditches or ride up embankments.
- Swing rope or throw rope at dummy steer head.
- Step in and out of obstacle.
- Put on slicker or coat.
- Stand to mount with mounting block.
- Walk through water obstacle.
- Open gate on foot.
- Pick up feet.
• Walk through brush.
• Ground tie
• Lead at the trot.

**EV-222.8** It is up to show management if the competition trail course will be made available to exhibitors or posted prior to the day of competition. It must be posted at least one hour prior to competition. Printed handouts for exhibitors are helpful and encouraged.

**EV-222.9** Once competition for the specific class/division begins, no extra verbal instructions will be given to exhibitors by the judge.

**EV-222.10 Credits and Penalties.** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. The rider has the option of eliminating any obstacle however this will result in being “Off Pattern” and the horse/rider team may not place above others who have completed the pattern correctly. A Judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.

**EV-222.11** Credit is given to horse/rider teams who negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to pick through the course when the obstacles warrant it while willingly responding to riders’ cues on more difficult obstacles. Quality of movement and cadence should be considered part of the maneuver score for the obstacle. Penalties are assessed as follows:

- **1 Point Penalties:** Each hit, bite, or stepping on a log, cone, plant or any component of the obstacle; Incorrect or break of gait at walk or trot for two strides or less; Both front or hind feet in a single-stride slot or space at a walk or trot; Skipping over or failing to step into required space; Split pole in lope-over; Incorrect number of strides, if specified; One to two steps on dismount/remount or ground tie except shifting to balance; Over-bridled (per maneuver).
- **3 Point Penalties:** Wrong lead; Draped reins; Break of gait at lope; Break of gait at walk or trot for more than two (2) strides, three or four steps on dismount/remount or ground tie.
- **5 Point Penalties:** Spurring in front of cinch: Blatant disobedience; Use of either hand to instill fear/praise; Knocking over, stepping out of, or falling off of an obstacle; Dropping an object required to be carried; 1st or 2nd cumulative refusal; Letting go of gate; Five or more steps in dismount/remount or ground tie
- **Off-Pattern (OP):** Breaking pattern; Repeated disobedience; Use of two hands (except in snaffle bit or hackamore); More than one finger between split reins or any fingers between romal reins (except two rein); Cannot place above others who complete pattern correctly.
- **Disqualification (DQ):** Lameness; Abuse; Illegal equipment; Disrespect or misconduct; Leaving working area before pattern is complete; Fall of horse/rider (run ends; scores will be given for work done but the horse/rider team will be disqualified and will not be placed), Improper western attire. Disqualified entries are counted as an entry in the class but can not receive points or credits for that class toward the all around.

**EV-223 STOCK HORSE REINING (AQHA VRH Ranch Reining)**

This Stock Horse Reining Class measures the ability of the stock horse to perform basic handling maneuvers. SHTX has several recognized regular patterns (please see “Patterns”). Each pattern is a combination of maneuvers and these maneuvers include:

- **Steps:** Steps are the act of slowing the horse from a lope to a stop position. The horse enters the stop position by rounding its back, bringing the hind legs further under the body while maintaining forward motion and ground contact and cadence with front legs. Throughout the stop, the horse continues in a straight line while maintaining ground contact with the hind feet.
- **Spins:** Spins are cadenced 360-degree turns executed with the inside hind quarter (pivot) remaining stationary. Spins shall be smooth and efficient. The location of the hind quarters shall be fixed at the start of the spin. The horse shall stop the spin exactly as dictated by the pattern description. The right and left spins shall have a similar speed and balance.
- **Rollbacks:** Rollbacks are the 180-degree reversal of forward motion completed by running to a stop, rolling (turning) the shoulders back to the opposite direction over the hocks and departing in one continuous motion. There should be no hesitation; however, a slight pause to regain footing or balance should not
be deemed hesitation. The horse should not step ahead or backup prior to rolling back.

- Circles: Circles are maneuvers at the lope, of designated size and speed, which demonstrate control, willingness to guide, and degree of difficulty in speed and speed variations. Circles must at all times be run in the geographical area of the arena specified in the pattern description. There must be a clearly defined difference in the speed and size of a small, slow circle and a large, fast circle. Symmetry is credit-earning (i.e., speeds and shapes to the left and right should be consistent).

- Backups: A backup is a maneuver requiring the horse to be moved in a reverse motion in a straight line over a required distance of at least ten feet or as the pattern designates.

- Hesitate: To hesitate is the act of demonstrating the horse’s ability to stand in a relaxed manner at a designated time in a pattern. In a hesitation, the horse is required to remain motionless and relaxed. Reining patterns require a hesitation at the end of the pattern to demonstrate completion.

- Lead Changes: Lead changes are the act of changing the leading legs of the front and rear pairs of legs. The lead change must be executed at a lope with no change of gait or speed and be performed in the exact geographical position in the arena specified in the pattern description. Credit-earning lead changes will be change of front and rear leads taking place within the same stride.

- Run Downs: Run downs are runs through the middle of the arena, along the side, or ends of the arena. Run downs demonstrate control and gradual increase in speed to the stop.

**EV-223.1 Credits and Penalties**

All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time.

To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of, or temporary loss of, control and therefore a fault that must be marked down according to severity of deviation. The horse/rider team’s overall performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various maneuvers, while using controlled speed which raises the difficulty level and makes the horse/rider team more exciting and pleasing to watch. Penalties will be assessed as follows:

- ½ Point Penalties: Starting a circle or exiting a rollback at a trot for up to two strides; Delayed change of lead by one stride where the lead change is required by the pattern description; Failure to remain a minimum of twenty feet from the wall or fence when approaching a stop and/or rollback; Over-spin or under-spin up to 1/8 turn.

- 1 Point Penalties: Out of lead in the circles, figure eights, or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead); Over or under spinning 1/8 to 1/4 turn; Slipping rein; Over-bridled.

- 2 Point Penalties: Break of gait; Freeze up in spins or rollbacks; Failure to stop or walk before executing a lope departure on trot-in patterns; Failure to be in a lope prior to the first marker on run-in patterns; Failure to completely pass the specified marker before initiating a stop position; When starting a circle, run-down or exiting a rollback, trotting beyond two strides but less than ½ circle or ½ length of arena.

- 5 Point Penalties: Spurring in front of cinch; Blatant disobedience; Use of either hand to instill fear/praise.

- Off-Pattern (OP): Breaking pattern; Repeated disobedience; Trotting in excess of 1/2 circle or 1/2 length of the arena; Use of two hands (except in snaffle bit or hackamore) per maneuver; More than one finger between split reins or any fingers between romal reins (except two rein) per maneuver; Cannot place above others who complete pattern correctly.

- Disqualification (DQ): Lameness; Abuse; Illegal equipment; Disrespect or misconduct; Leaving working area before pattern is complete; Fall of horse/rider (run ends; scores will be given for work done but the horse/rider team will be disqualified and will not be placed), Improper western attire. Disqualified entries are counted as an entry in the class but can not receive points or credits for that class toward the all around.
• Excess rein may be straightened anytime during the pattern, provided the rider’s free hand remains behind the rein hand. Any attempt to alter tension or length of the reins from bridle to the rein hand is to be considered use of two hands and will be Off Pattern.

EV-223.2 Patterns will be chosen from the SHTX Rulebook, or other patterns approved by show management. Patterns may be modified to be lope in patterns. Patterns that start with the circles may be used as lope to center patterns when posted as such by show management. Rider has the option to lope through the gate or walk through the gate and, without trotting, pick up the correct lead within the first quarter circle. Continue loping around the circle to the center of arena. At the center, without stopping or breaking gait, begin pattern. When using a lope to the center pattern, judging of the pattern will begin at the center of arena. Penalties occurring while loping to the center of arena to begin pattern will be assessed.

PATTERNS ARE LISTED IN THE BACK OF THE RULEBOOK beginning on pg 67.

EV-224 STOCK HORSE WORKING COW HORSE CLASS (AQHA VRH RANCH COW WORK)

The ideal stock horse must also be a cow horse and this Class demonstrates and measures the horse’s ability to do cow work. Holding the saddle horn is permitted in this Class. There is a time limit per horse/rider team to perform the work depending on the Division and the time begins when the cow is turned into the arena. If the time has not elapsed and the Judge is satisfied that all requirements of the Class have been met, the Judge should blow the whistle for the Exhibitor to cease work. The Judge may blow a whistle at any time for the Exhibitor to cease work for safety reasons. Judges will score what they have seen, but the horse/rider team is disqualified because they did not complete the pattern. Only the Judge may award a new cow to a contestant to replace a cow that will not honor a horse. If the Judge awards a new cow, the Exhibitor has the option to refuse the new cow by continuing to work. If the Exhibitor accepts the new cow, the time for working the cow will start over. If the Exhibitor intends to accept the new cow, the Exhibitor must pull up immediately. When multiple Judges are scoring, any one of the Judges may terminate the work or signal for a new cow.

EV-224.1 OPEN AND NON PRO DIVISIONS

Exhibitors in the Open and Non Pro Divisions are allotted three minutes to complete the work. When there is one minute left, the announcer will announce, “one minute.” At 3 minutes, the announcer will call “time.” There are three parts to this Division’s work: boxing, fence work, roping or circling.

Part One – Boxing the Cow – The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to “hold” the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.

Part Two – Fence Work – After the cow has been controlled on the end of the arena, the rider shall set the cow up and drive it down the side of the arena. The cow should be turned on the fence at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end fence.

Part Three – Optional Roping or Circling - The rider has the option to either rope the cow or to take the cow to the middle of the arena and circle it at least once each direction. A rider may circle or rope the cow but cannot combine the two to get credit for this portion of the class.

• To rope the cow, the Exhibitor must be carrying a rope when the run starts. The Exhibitor may pull up after the fence work, take down the rope, and proceed to rope and stop the cow. The Exhibitor must then rope the cow and bring it to a stop. In the roping portion of this class, the Exhibitor is permitted two throws and the horse will be judged on two (2) maneuvers: tracking/rating, and stopping the cow. It is not necessary that the Exhibitor catch to receive a score in the roping portion. The catch is legal as long as cow looks through the loop and the rope pulls tight on any part of the animal’s body except the tail. The Exhibitor may tie their ropes on or dally. If the Exhibitor does not catch, the horse will be given credit for rating and tracking and will be assessed a penalty specific for the division.
To circle the cow, the Exhibitor will maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence. The circle’s size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted. Once an Exhibitor has committed to circling a cow, if the cow falls down no new cow will be awarded. The Exhibitor will complete the run by riding around the fallen cow to fulfill circling requirements. In the circling portion of the judging, one whistle will terminate the work, two whistles will award a new cow.

**EV-224.2 Credits and Penalties for Open and Non Pro** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time.

During “Boxing,” credit will be given for the horse’s expression and its ‘cow sense’ (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during “Fence Work” for making the first run past the center of the arena; making turns right on the cow; and controlling a difficult cow. If “Roping,” credit will be given for rating and following cow to allow rider the optimal roping position; stopping hard; and staying in the ground during the hold. Credits for each element of Roping range from –1 ½ to +1 ½ points. If “Circling”, credit will be given when the horse works willingly; acknowledges the cow; and gets close enough to the cow to control the circles. Credits for Circling range from -1 ½ to +1 ½ points for each direction. Penalties will be assessed as follows:

- **1 Point Penalties:** Loss of working advantage; Using the corner or the end of the arena to turn the cow when going down the fence; Changing sides of arena to turn cow; For each length horse runs past cow; Working out of position; Slipping rein; Failure to drive cow past middle marker on first turn; two-loop catch in the Non Pro; Over-bridled.
- **2 Point Penalties:** Going around the corner of the arena before turning cow; When working an animal in the open field (at least 20’ from the side of arena) and the animal gets within 3 feet from the end fence before being turned, When roping, failure to catch in the Non Pro.

- **3 Point Penalties:** Exhausting or overworking the cow before circling or roping; Hanging up on the fence (refusing to turn); Knocking down the cow without having a working advantage; two-loop catch in the Open
- **5 Point Penalties:** Failure to turn the cow both directions on the fence; Spurring in front of cinch; Blatant disobedience; Use of either hand to instill fear/praise; Failure to catch in the Open
- **Off-Pattern (OP):** Turning tail; Failure to attempt complete any part of the Class; Repeated blatant disobedience; Schooling after entering the arena prior to calling for cow; Schooling horse between cows, if new cow is awarded. **Use of two hands (except in snaffle bit or hackamore) per maneuver; More than one finger between split reins or any fingers between romal reins (except two rein); Cannot place above others who complete pattern correctly.**
- **Disqualification (DQ):** Lameness; Abuse; Illegal equipment; Disrespect or misconduct; Bringing the cow straight over backwards landing on its back or head with all four feet in the air; Leaving working area before pattern is complete; Fall of horse/rider (run ends; scores will be given for work done but the horse/rider team will be disqualified and will not be placed), Improper western attire. Disqualified entries are counted as an entry in the class but can not receive points or credits for that class toward the all around.

- If the exhibitor runs out of time to rope, there will be no credit for the stop/hold maneuver and a penalty for failure to catch. Riders may still earn credit for tracking/rating/control/position and speed/degree of difficulty.

**EV-224.3 LTD NON PRO, INTERMEDIATE, JUNIOR HORSE AND YOUTH DIVISIONS**

Exhibitors in the Ltd Non Pro, Intermediate, Youth and Junior Horse Divisions are allotted one minute and thirty seconds to complete the work. Announcer will give a “45 seconds left” time warning. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down
the fence to the opposite end of the arena; boxing it at
the opposite end of the arena and then driving the cow
past the middle marker again. There is no expectation
that the Exhibitor will make a ‘fence turn,’ rather the drive
down the fence demonstrates correct position and con-
trol around the corner.

- Part One – Boxing the Cow – The rider shall ride
into the arena, face the cattle entry gate, and signal
for their cow to be turned into the arena. The cow
shall be controlled on the entry end of the arena for a
sufficient amount of time to demonstrate the horse’s
ability to “hold” the cow. If the cow does not immedi-
ately challenge the horse, the rider shall aggressively
move in on the cow to demonstrate his horse’s ability
to drive and block the cow on the entry fence.

- Part Two - Set Up Cow and Drive Down Fence to
Opposite End of Arena – After the cow has been con-
trolled on the entry end of the arena, the rider shall
set the cow up for driving down the side of the arena.

When coming out of corner, the horse shall be
close enough to cow to demonstrate control with cow
against the fence. This distance and control should
be maintained for approximately 1/2 to 3/4 the length
of arena. Rider will then stop and release the cow and
move horse toward center of arena to set the cow up
for boxing.

- Part Three – Boxing the Cow at Opposite End of
Arena –The Exhibitor will again control and box the
cow to demonstrate the horse’s ability to “hold” the
cow.

- Part Four – Drive the Cow back down the same
fence as the first drive, past the middle marker and
continue until the judge blows the whistle to show
completion.

EV-224.4 Credits and Penalties for Limited for
Non Pro, Intermediate, Youth and Junior Horse
All runs begin upon entering the pen; any infractions
(such as two hands on the reins, using either hand to
instill fear or praise, etc.) are subject to penalty at that
time.

During “Boxing,” credit will be given for the horse’s
expression and its ‘cow sense’ (i.e., making moves with
little rider assistance); holding, controlling, and turning
the cow; the amount of work actually done; and the
degree of difficulty of the work. Credit will be given during
“Set Up Cow and Drive Down Fence” for rating the cow;

EV-224.5 NOVICE AND NOVICE
YOUTH DIVISIONS
Exhibitors in the Novice and Novice Youth Divisions
are allotted fifty (50) seconds to complete the work. The
rider shall ride into the arena, face the cattle entry gate,
and signal for their cow to be turned into the arena. The
cow shall be controlled on the entry end of the arena
for 50 seconds to demonstrate the horse’s ability to “hold”
the cow. If the cow does not immediately challenge the
horse, the rider shall aggressively move in on the cow
to demonstrate his horse’s ability to drive and block the
cow on the entry fence.
showcase the talents of the four-event horse at an early age. The three-year-old Futurity was developed in 2009, followed by the four- and five-year-old Derby in 2011; and in 2013, a Limited Non Pro Futurity and Derby were added. These aged events are open to all breeds and provide a logical measure of progress for the training of the stock horse.

**EV-230.1 General Competition Rules**

a) Only one rider will exhibit the horse.

b) Each horse and rider combination will have one opportunity to show in Pleasure, Reining, Trail, and Cow Horse.

c) All nomination fees and added money will be paid out according to the Payout Schedule in GR225.

d) The All Around champions in each division will be determined by the combined scores of the highest placing horse and rider combination in the four-event competition. All-Around tiebreakers are determined by the highest score in Cow Horse, Reining, Trail, and Pleasure, in that order per SHTX EV-190.

e) Competition rules and guidelines of the Futurity and Derby will be those used in the SHTX Open Division as related to the judging criteria and rules governing the individual classes.

f) Rules and guidelines of the Ltd Non Pro Futurity and Derby will be those used in the SHTX Ltd Non Pro Division. For additional scoring guidelines and rules, see the current SHTX Handbook.

**EV-230.2 Age Requirements**

For competition purposes, all horses are considered to be a year older on January 1, regardless of their actual birth date during that year. Acceptable forms of age verification include breed registration papers or association competition licenses. Unregistered horses must have a signed veterinarian’s certificate with age verification. Markings and brands must be documented and identifiable on the certificate.

**EV-230.3 Equipment**

Futurity and Ltd Non Pro Futurity horse(s) must be a three-year-old and must be exhibited in a snaffle bit or hackamore. Riders may change between snaffle and hackamore for different classes if desired. For specific equipment rules regarding a snaffle and hackamore, refer to EV-210.

**EV-230.4 Futurity and Ltd Non Pro Futurity horse(s) must be ridden two-handed during the competition. If a horse is ridden one-handed, there will be a five-point penalty for each maneuver performed one-handed, except in instances where one hand is required, such
as roping, opening gate, going down fence, or working a cow.

**EV-230.5** Derby and Ltd Non Pro Derby horse(s) must be a four-, five- or six-year-old and can be shown in a snaffle bit, hackamore, two-rein or bridle/curb bit. Riders may change between snaffle, hackamore, two-rein, and bridle/curb bit for different classes if desired. For specific equipment rules, refer to EV-210.

**EV-230.6** After each reining and cow work run, headstalls must be dropped and viewed by the equipment official for a mouth check. Any horse found to have blood present on the mouth or anywhere else on its body may be disqualified at the discretion of the judges.

**EV-230.7** Non Pro Incentive Award: Non Pro entries in the Futurity and Derby may be eligible for the Non Pro Incentive Award. This award will be no less than $1,000 paid to highest-placing, eligible Non Pro contestants. The number of places paid will be according to SHTX GR 225 Open payout schedule.

**EV-230.10** Nathan & Norma Belcher Collegiate Scholarship Award

Having spent a lifetime in the horse industry, Nathan Belcher was an ardent supporter of the versatile stock horse. To honor his dedication to western heritage and commitment to the mission of SHTX, an anonymous donation was made in his name in 2009. This donation established the Nathan Belcher Collegiate Scholarship Award. His wife, Norma, was the show secretary for this association for many years. When she passed away, her name was added to the scholarship.

a) The Nathan & Norma Belcher Collegiate Scholarship Award is offered to eligible entries in the Futurity & LTD Non Pro Futurity.

b) To be eligible for the Nathan & Norma Belcher Collegiate Scholarship Award, the horse must be the property of the rider or an immediate family member or the property of the college that the student attends.

d) The Nathan & Norma Belcher Collegiate Scholarship Award will be awarded to the highest placing collegiate entry in the Futurity All Around.

e) Futurity competitors who are eligible for the Nathan & Norma Belcher Collegiate Scholarship Award must confirm eligibility prior to the event.

In the event a Futurity is not held, the scholarship requirements will be announced.

**EV-230.11** Zinn Lindsey Collegiate Scholarship Award

Zinn Lindsey managed to accomplish an incredible list of achievements in his short life. He earned multiple titles, including state and world championships; he rode and trained horses – many successfully carrying winning riders today; and he was the ever-present hard worker at every SHTX show – moving cattle, running errands, and somehow finding time to get his horses shown (and win!) in between. There is no explanation for the loss of such a bright and talented young cowboy. Those of us left behind are charged with finding a way to honor his memory for years to come. Thus, the Zinn Lindsey Collegiate Scholarship Award will serve to promote the spirit of Zinn by reaching out to the collegiate riders.

a) The Zinn Lindsey Collegiate Scholarship Award is offered to eligible entries in the Derby & LTD Non Pro Derby.

b) To be eligible for the Zinn Lindsey Collegiate Scholarship Award, the horse must be the property of the rider or an immediate family member.

c) The recipient must be a Non Pro as defined by SHTX GR 225 and comply with all other Futurity and Derby rules.
